

Region 16 TMEA
Class 5A/6A Track All-Region Wind and Percussion Auditions

The Class 5A & 6A Track All-Region wind and percussion auditions will be held at Lubbock-Cooper High School in Lubbock on November 12, 2022.

- 8:30 AM Monitor meeting in Library
- 9:00 AM Judge's meeting in Library
Students check-in (once monitors reach their rooms after meeting)
- 9:30 AM Auditions begin

Buses and trailers can park in the west band lot. Cars should park south of the Performing Arts Center. Enter the school through **Door 17** on the west side. **Lubbock-Cooper is hosting a volleyball tournament concurrently with auditions, so please remind your students to stay in the designated areas. There will be volleyball players and traffic through the cafeteria area. The band meal deals and concessions will be located near the holding gym.**

Percussion will audition in the Band Hall. You can load and unload through the band hall entrance marked on the attached map. If you would like to load in percussion equipment Friday afternoon, let me know.

Upon arrival, students should go straight to the gym for warm-up. After performing, students must remain in the gym until they leave to go home. They may not roam the halls, disrupt the volleyball tournament, or return to the audition areas. A QR code for results will be posted in the gym.

Lunch, snacks and drinks will be provided for the directors and monitors in the Library at 12:00 PM.

A concession stand will be available near the gym starting mid-morning by the Lubbock-Cooper Band Boosters. A \$8 pizza meal deal is available if ordered in advance. Please **fill out the attached form** by 11/7 to secure your meal. Only a limited amount of extra meals will be available for purchase on the day of the audition.

Please let me know if you have questions. You can reach me at 940-782-3076.
